Club President's Message

When Randy and I moved here from Butte, Montana, in 2021, I left behind 40 years of connections. Back home, I knew everyone who could help with anything automotive, and a few of them owed me favors. A lot of good old-fashioned bartering went on. Here, I suddenly didn't even know who to ask for advice.

A **real** reality check. When we joined the club it all started to change. We made new friends, and a door opened for the answers to those questions. Joining the club made our move so much easier. Thank you, RVCC club. Besides this is a really fun club.

I have been involved with car clubs for a long time. A car club is where you find out who has the best parts store, glass shop, metal supplies, painter, tire and wheel guy, and so on. Car people like to share what they've learned, along with the simple joy of playing with cars.

As much as we need the club, the club also needs us. We are a nonprofit car club, and many of our events raise money for local charities. We are currently working on next year's Fabulous 50's and Beyond Charity Car Show. The "Beyond" invites newer cars to join us in celebrating our fun hobby. Even with all the changes, we still need all the help we can get. So, if you haven't signed up to volunteer yet, think about it. Many tasks take only a couple of hours, not all day. Trust me, when you volunteer, we will find something for you to do.

Our November meeting will be a special one. That's when we hand out this year's checks to the charities that the RVCC members have chosen. See you there on Sunday, November 8th, at the Clubhouse on Ringette Street.

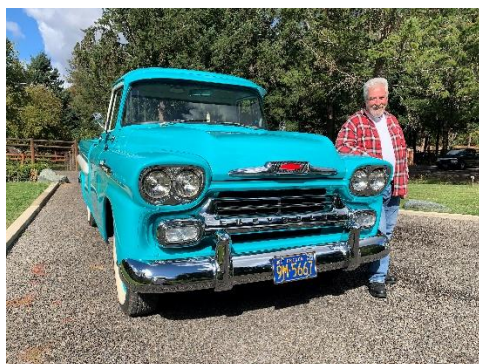

Wally

Feature Car of the Month

This month's feature is the 1958 Chevy pickup owned by Jim Stearns that won the Host Club jacket at this year's Fabulous 50's Charity Car Show! More specifically it's a half-ton Apache 3200 long box.

Jim bought it from fellow RVCC member Rocky Shad in 2012 because he wanted an old truck to drive around. When purchased, it looked a little rough, and the interior was thrashed, but it was mechanically sound. Jim started slowly fixing things—having Bob Ogden fix the rust in the doors, replacing the wooden bed floor (with custom milled local madrone) and soon the project snowballed into a full restoration. The new goal was to make the truck look like the day it rolled off the assembly line with a couple of minor upgrades.

It took over 5 years to complete with Jim doing most of the work, including the body work and paint, himself. The motor was disassembled, inspected and found to be in great condition, and reassembled with new gaskets. The truck came heavily optioned, including a radio, heater, chrome trim, and the big back window. He added the original accessory windshield visor and repainted the truck the original colors, Tartan Turquoise and Bombay Ivory. The final (non-original) touch was the wide whitewall tires to really set-off the look!

NSRA SAFETY INSPECTION DAY

Thanks to everyone who brought their cars out for a free NSRA Safety Inspection on September 26, 2026. We inspected a bunch of cars, identified some potential safety hazards that the car owners were not aware of (the idea behind the inspection program) and some cars earned safety stickers! A huge thank you to Wally and Randy Norley for hosting the event and donating the use of their lift.

Tom & Donna Spencer

The 1932 Ford 5 Window Coupe shown in the above photos is owned by RVCC member Barry Waugaman. It is shown being inspected by NSRA Safety Inspectors Tom Spencer and Donna Spencer with assistance from Wally Norley. Photos by Larry Weiner
